MARCH MENTAL CLEANSE

- DUMP UNREALISTIC GOALS
- QUIT PLANS THAT DON'T WORK
- CUT OFF TOXIC PEOPLE
- LET GO LIMITING BELIEFS

PRACTICE KINDNESS EVERY DAY...

That is our DUTY to ourselves and to others. In this crazy world we live in...the very least we can do is be KIND. Don't judge others based off of what you see, but rather remember we are each individuals dealing with life the best we can!

Favorite Flower

While attending a marriage weekend retreat, Frank and his wife Ann listened to the instructor declare, "It is essential that husbands and wives know the things that are important to each other."

He then addressed the men. "Can you name your wife's favorite flower?"

Frank leaned over, touched Ann's arm gently and whispered, "Gold Medal All Purpose, isn't it?"

ANGELS....as explained by children!

I only know the names of two angels, Hark & Harold. Gregory, age 5

Angels work for God and watch over kids when God has to do something else. Mitchell, age 7

When an angel gets mad, he takes a deep breath and counts to ten. And when he lets out his breath again, somewhere there's a tornado.

Reagan, age 10

Angels don't eat, but they drink milk from Holy cows!!!! Jack, age 6

Angels talk all the way while they're flying you up to heaven. The main subject is where you went wrong before you got dead. Sherry, age 9

Angels live in cloud houses made by God and his son, who's a very good carpenter. Jared, age 8

Angels have a lot to do and they keep very busy. If you lose a tooth, an angel comes in through your window and leaves money under your pillow. Then when it gets cold, angels go south for the winter. Bryce, age 6

All angels are girls because they gotta wear dresses and boys didn't go for it. Bruce, age 9

My guardian angel helps me with math, but he's not much good for science. Henry, age 8

It's not easy to become an angel! First, you die. Then you go to Heaven, and then there's still the flight training to go through. And then you got to agree to wear those angel clothes. Matthew, age 9

Some of the angels are in charge of helping heal sick animals and pets. And if they don't make the animals get better, they help the child get over it. Vicki, age 8

My angel is my grandma who died last year. She got a big head start on helping me while she was still down here on earth. Ashley, age 9

Everybody's got it all wrong. Angels don't wear halos anymore. I forget why, but scientists are working on it. Olive, age 9

What I don't get about angels is why, when someone is in love, they shoot arrows at them. Sarah, age 7

Automobile "bodies consisted of a sheet metal skin attached to a light wooden framework; the bodies were quite flexible when going over bumps and through ditches. A few hard top sedans were in use, but most cars were touring models with collapsible cloth tops and side curtains for use on cold or rainy days." Quote from Shaniko Remembered by Robert Altermatt.
